This Addendum forms a part of the contract documents and **modifies** the original RFP documents as noted below:

1. What are the specific state requirements for being in compliance with Form G: GEORGIA PROFESSIONAL LICENSE CERTIFICATION with respect to this proposal?

Response: If applicable, Contractor should verify professional license for this project.

2. How does an out of state entity satisfy the requirement for becoming registered with the Georgia Secretary of State?

Response: Please provide proof of state registration for the corporate office of the firm.

3. What were the fees paid to the prior firm for these services?

Response: \$27,000

4. What firm did the prior valuation?

Response: Aon Hewitt

5. Please provide a copy of the prior OPEB report.

Response: This information is not available

6. What is the anticipated due date for the OPEB report?

Response: April 15, 2015

7. Please confirm that this work is to cover two fiscal years of GASB 45 reporting.

Response: This covers the valuation date of 1/1/15, with a renewal option to cover the other periods. This contract wouldn't cover more than one valuation date.

8. Please provide valuation reports and/or reporting summaries provided by the actuary for the past two fiscal years.

Response: This information is not available.

9. In February 2012, this work was awarded to Aon Hewitt for \$27,900. Was this the annual cost or the cost for the 2-year cycle?

Response: The cost per valuation period.

10. Section 3.3, Scope of Work, states that "the actuary shall include a turnover study in this process." Is this something to be provided through the valuation process, or is this a separate study in addition to the regular OPEB valuation?

Response: This information is not available.
